“Ok, that was just so good last night. Thank you! You did such a great job – so well done and such great points. I loved how you addressed the elephant in the room – things have changed and things need to change even if people don't want them to.”

–Tara Mastel, Montana Extension
Community Development Leader

“Deb's experience and expertise in working with Chambers of Commerce and small businesses has hastened our regional economic recovery efforts. I find Deb Brown to be engaging with the communities we serve and willing to share ideas that have been successful elsewhere.”

–Steve Simonson, Beartooth RC&D
